

VALENTINES PUZZLES

Instructions: Determine what each of the Christmas images represent in the following maths problems:

$$\text{pink heart} + \text{pink heart} + \text{pink heart} = \text{three}$$

$$\text{yellow envelope} + \text{yellow envelope} - \text{pink heart} = \text{three}$$

$$\text{blue padlock} - \text{yellow envelope} + \text{pink heart} = \text{two}$$

$$\text{blue padlock} + \text{blue padlock} + \text{blue padlock} =$$

$$\text{yellow envelope} + \text{pink heart} + \text{blue padlock} =$$
