THE RESULT ACADEMY

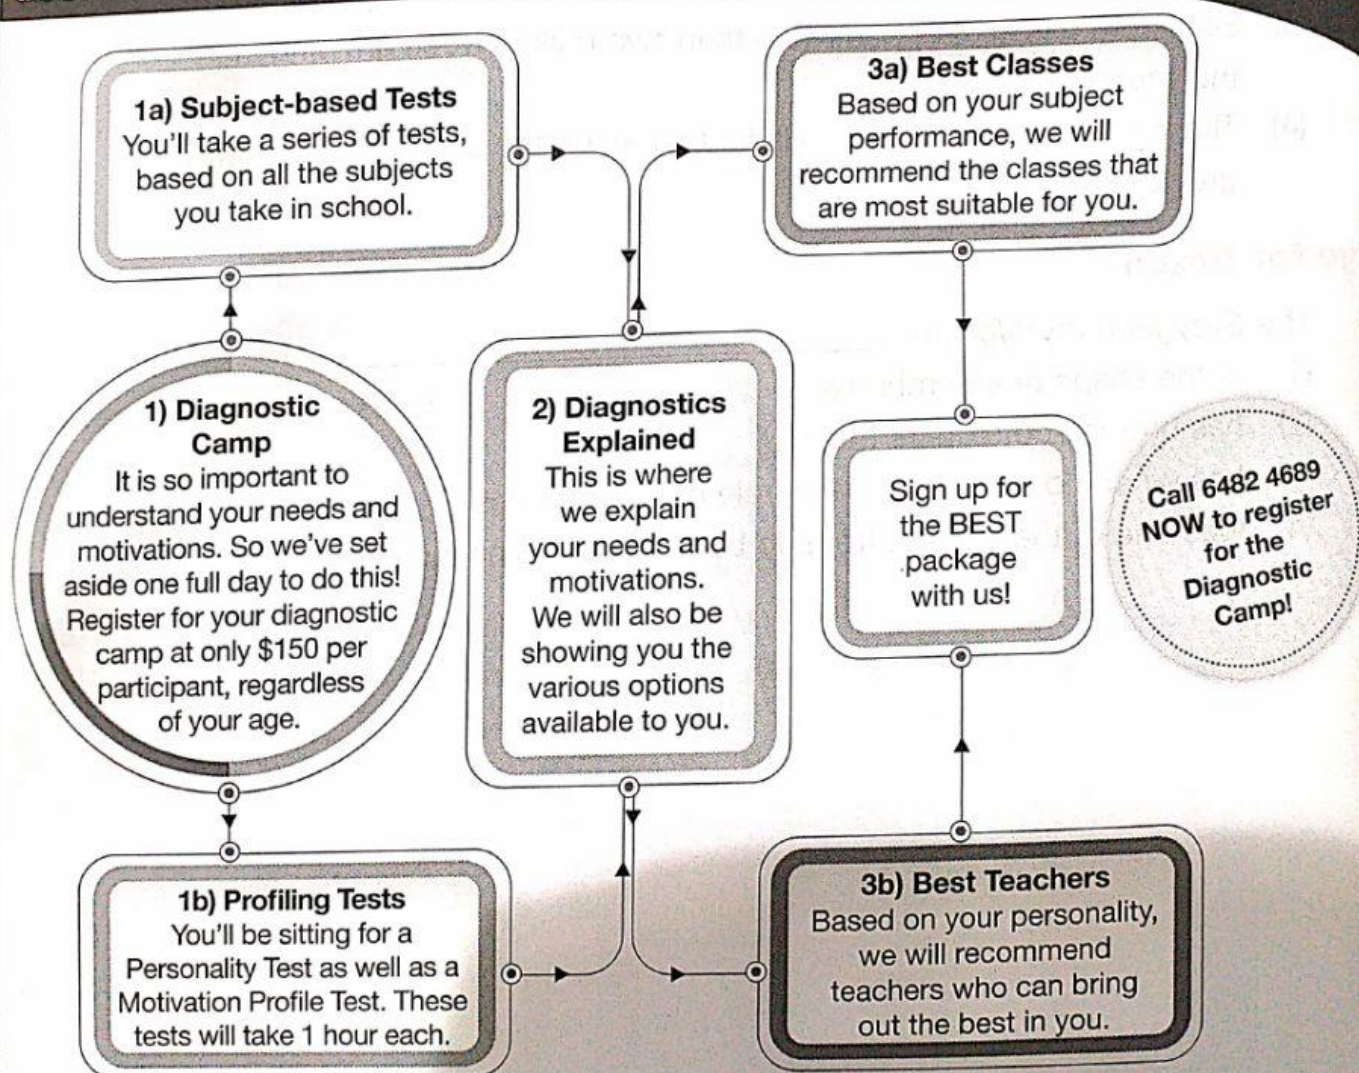

We produce results

Welcome to The Result Academy (TRA)

We know you want results, and so do we. Your results become ours, because we only look good when you do well. But don't worry, we won't be chaining you up and squeezing the grades out of you. We have done extensive research and know that the best way to deliver results is to motivate you, our superstar pupil. Come and find out how we can bring out the best in you.

Every new pupil at TRA goes through our comprehensive, research-based admission process, to ensure the best fit for you. It may seem like a long process, but it comes with our assurance of results.

Our Teachers

They are instrumental in guiding you to exceptional grades. They have the knowledge and passion to coach you to achieve your best. Meet some of our inspiring teachers here:

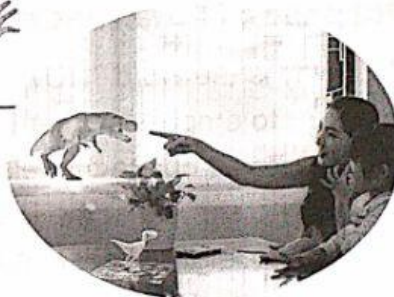

Mr Vincent Subramaniam has over 30 years of teaching experience. He spent the first 12 years in top government schools before joining us. He is an expert in the English Language and is excellent at engaging pupils. Mr Subramaniam teaches with great flair. You can always count on his classes to be full of lively chatter!

Ms Huang Lin has a Master of Education degree from Shanghai Open University. She has fully familiarised herself with the local syllabus and currently heads our Chinese Language department. Disciplined and methodical, Ms Huang Lin has been producing star pupils with us for more than a decade.

Our Classrooms

The best lessons take place in the best environments. There are interactive whiteboards and visualisers in every one of our classrooms, even in our science laboratories and listening rooms. Our pupils will also get to experience Virtual Reality (VR) and Augmented Reality (AR) lessons. It cannot get more high-tech than this!

Our Star Pupils

We produce the best. TRA ensures that our pupils produce results, not just in our classrooms, but more importantly, in major examinations. Here are our results in the latest PSLE examination:

Subject	English	Mathematics	Science	Mother Tongue
No. of pupils who sat for the exam	352	295	303	362
Number of A [☆] s	273	286	214	246
