- A. Had breakfast with the teacher.
- B. listened the organizer's explanation.
- C. Watched people planting paddy.
- D. Shared their experiences.

The following text is for question number 11 and 12!

Two frogs had lived in a village all their lives. They thought they would like to go and see the big city that was about ten miles away.

They talked about it for a long time and at last they set off to the city.

It was a hot day, and they soon began to feel tired. They had only gone a little way when one said to the other, "we must be nearly there, can you see the city?" "No," said the other frog, "but if I climb on your back I might be able to see it." So he climbed up on the back of the other frog to see the city.

Now when the frog put up his head, his eyes could only see what was behind. And not what was in the front. So he saw the village they had just left. "Can you see the city?" asked the frog who was below. "Yes," answered the frog who had climbed up. "I can see it. It looks just like our village."

Then the frogs thought that it was not worthwhile going any further. They went back and told the frogs in the village that they had seen the city, and it was just like theirs .

11. What did they feel on their way to find a big city?

- A. Sad
- B. Glad
- C. Tired
- D. Happy

12. Why did one of the frogs climb on the other's back?

- A. It was a hot day
- B. It can see the city
- C. It began to feel tired
- D. It could not see the city

The following text is for questions 13 and 14!

The Rats and The Elephants

Once upon a time there lived a group of mice under a tree in peace. However, a group of elephants crossing the jungle unknowingly destroyed the homes of all the rats. Many of them were even crushed to death.

Then taking of rats decided to approach the elephant's chief and request him to guide his herd through another route. On hearing the sad story, the elephant's king apologized and agreed to take another route. And so the lives of the rats were saved.

One day elephant-hunters came to the jungle and trapped a group of elephants in huge nets. Then the elephant king suddenly remembered the king of the rats. He summoned one of the elephants of his herd, which had not been trapped, to go seek help from the king and told him about the trapped elephants.

The rat's king immediately took his entire group of rats and they cut open the nets which had trapped the elephant's herd. The elephant herd was totally set free. They danced with joy and thank the rats.

13. At the end of the story, how was the elephant's herd?

- A. Sad
- B. Angry
- C. Happy
- D. Disappointed

14. Who did destroy the rat homes ?

- A. The hunter
- B. A group of mice
- C. Elephant-hunter
- D. A group of elephant

The following text is for questions 15 and 16!

How to Make Flower Crown

Things you need :

- ✓ Flowers
- ✓ Scissors
- ✓ Tape
- ✓ Glue
- ✓ Elastic wire
- ✓ Ribbon/rope

Steps :

1. Choose and prepare 3 kinds of flowers.
2. Cut the flowers. Make sure the length of the stem is about 7 cm.
3. Cut the elastic wire and measure it to your head. Tie the end of the wire to make it sturdy.
4. Arrange the flowers to the ribbon and glue them. Make sure the flowers fill in the ribbon beautifully.
5. Attach the ribbon with flowers to the elastic wire by using the tape. Fill in the empty space with smaller size flowers.
6. Cut another ribbon about 50 cm and insert it into the wire with the flowers.
7. Put the crown on your head. Tie the ribbon/rope. You'll look lovely wearing it.

15. What is the intention of the text above?

- A. To describe the flower crown
- B. To explain three kinds of flower
- C. To show how to use flower crown
- D. To show how to make flower crown

16. How many kinds of flower do we need to make flower crown?

- A. 3
- B. 2
- C. 4
- D. 1

The following text is for question number 17 and 18!

Tomatoes are full of nutrients and are especially good source of antioxidant vitamins. In fact, one serving of tomato will give you 40% of your recommended daily allowance of vitamin C. diets rich in fruit and vegetables are associated with lower risks of many diseases and a diet which includes high intake of tomatoes has been shown to protect against prostate cancer. Tomatoes are by far the richest source of lycopene, a powerful antioxidant, which gives the tomato its red color. No other food contains this high level high of antioxidant. Lycopene is highest in processed tomato foods such as tomato puree, because they are concentrated.

17. The topic of the paragraph above is.....

- A. The way to prevent getting various diseases.
- B. The benefit of including tomatoes on our diets
- C. the recommended diets for healthy people
- D. the function of antioxidant vitamins.

18. From the text we may conclude that...

- A. Lots of tomatoes in the diet can prevent prostate cancer
- B. Only tomatoes are the source of a powerful antioxidant.
- C. Food rich in vitamin C can cure many diseases.
- D. The best source of antioxidants is vegetables.

The following text is for questions 19 and 20!

Butterflies start out as eggs. Butterflies lay their eggs on leaves. The egg hatches into a caterpillar with a tube – shaped body. The caterpillar eats leave, buds, or flowers of plants. Caterpillar eats a lot and grows fast. Some caterpillar harms plants.

When a caterpillar is full size, it goes into another stage called a chrysalis. Caterpillars attach themselves to something solid before becoming a chrysalis. The caterpillar inside the chrysalis changes into butterfly. Some butterflies make the change in one week. Some butterflies take years to change.

When the change is complete, the adult butterfly split the chrysalis. The insect unfolds its wings and pumps blood and air into them. It spreads out the wings until the dry and harden. The beautiful butterfly then flies off to slurp nectar from flowers. Most butterflies live only one or two weeks.

19. What does the text tell us about?

- A. The hatch of eggs to butterflies
- B. The change of butterflies
- C. The story of butterflies
- D. The life of butterflies

20. What does the butterfly change from?

- A. A caterpillar
- B. Shaped body
- C. A chrysalis
- D. An egg

Fill in the blanks by choosing the words in the box!

- Long, long ago, when the gods and Goddesses used to mingle in the affairs of mortals, there was a small kingdom on the slope of Mount Wayang in West Java. The King, named Sang Prabu, was a wise man. He had an only (35), called Princess Teja Nirmala, who was famous for her beauty but she was not married. One day Sang Prabu made up his mind to settle the matter by a show of strength.

The following text is for number 36 – 37.

Greendy is a male cat. He is adorable with his soft fur. He has innocent round eyes and feeble sweet voice. He always meows when he feels hungry. Actually, his voice is not suitable with his giant body. When I come home, He usually gives me a kiss. Greendy is a nice playmate. I'm happy to spend my time with him . He is a good boy. It is almost impossible for me to be angry with him. In the morning, he always wakes me up early. When he wakes up early, he waits quietly by my bedside until I wake up.

37. Why does the writer like the Greendy

1. First, put tomatoes, sugar, ice, and water into a blender.
2. Second, switch the blender on around 1-2 minutes.
3. Third, pour the tomato juice into a glass.
4. Then, pour some milk into the juice. Finally, let's drink it.

38. How many steps does it take to make tomato juice?

The following text is for number 39.

Answer the questions based on the text given!

Grasshoppers are insects that can leap, walk, and fly. Not unlike all insects, a grasshopper's body consists of the head, thorax, and abdomen. They are herbivorous. They only eat plants. Grasshoppers hatch eggs, which then undergo simple metamorphosis into nymphs. Later on, the nymphs will grow to be adult grasshoppers.

39. What is the physical appearances of grasshoppers?

The following text is for number 40.

The old Witch locked Hansel in a cage and set Gretel to clean the house. She planned to eat them both. Each night the children cried and begged the witch to let them go.

Meanwhile, at home, their stepmother was beginning to wish she had never tried to get rid of the children. "I must find them," she said and set off into the forest.

Many hours later, when her feet were tired from walking and her lips were dry from thirst, she came to the cottage belonging to the witch. The stepmother peeped through the window. Her heart cried out when she saw the two children.

She picked up the broom leaning against the door and crept inside. The Witch was putting some stew in the oven when the stepmother gave her an almighty push. The Witch fell into the oven and the stepmother shut the door.

"Children, I have come to save you", she said hugging them tightly. I have done a dreadful thing.

I hope in time you will forgive me. Let me take you home and become a family again. They returned to their home and the stepmother became the best mother anyone could wish to have, and of course they lived happily ever after!

40. Why did the Witch fell into the oven ?
