

Reading about Mary

Mary is twenty-four years old. She is from Manchester, England. She is a student in the local University. Her favorite subjects are Language and Social Studies. She has got a boyfriend, Sam. He is twenty-nine years old and he is a manager in Manchester Bank. Sam isn't from Manchester, he is from London. Mary hasn't got a big family. Mary's mother is Jane. She is a teacher. She's fifty-six years old and her father is George. He's an engineer. Charles is Mary's brother. He's seventeen and he is a student, too. Jane has got a sister, Sue. And George has got two brothers, they are Michael and John. Mary and Sam are very sociable and they've got a lot of friends.
