VI. Read the passage .(1,5ms)

Most people need seven to eight hours of sleep a night. Some people need less than this, and some people need more. Many people have difficulty sleeping, but they do not know why. Most people know it is important not to drink coffee or tea before they go to bed. Dr. Schechter suggests, "You shouldn't use your bedroom as a TV room or an exercise room. You should use it for sleeping only. It's a good idea to have a regular sleeping schedule. Get up and go to bed at the same time every day. It's also important not to eat before bedtime. Eating may keep you awake".

A. Read then Decide True or False.

25. People need to sleep 7 to 8 hours a night. _____
