# LET'S LEARN ABOUT HOW OFTEN (How many times) WE LAUGH, LEADERS!

## Look at the graphs below and answer questions about them:

| | |
|---|---|
| Which person laughed the most on Thursday? | Which person laughed the least during the week? |
| Which person laughed the most on Monday? | Who laughed the most on ONE day? |
| Which people laughed equally on Friday? | On what day did Mr. Steel laugh the most? |

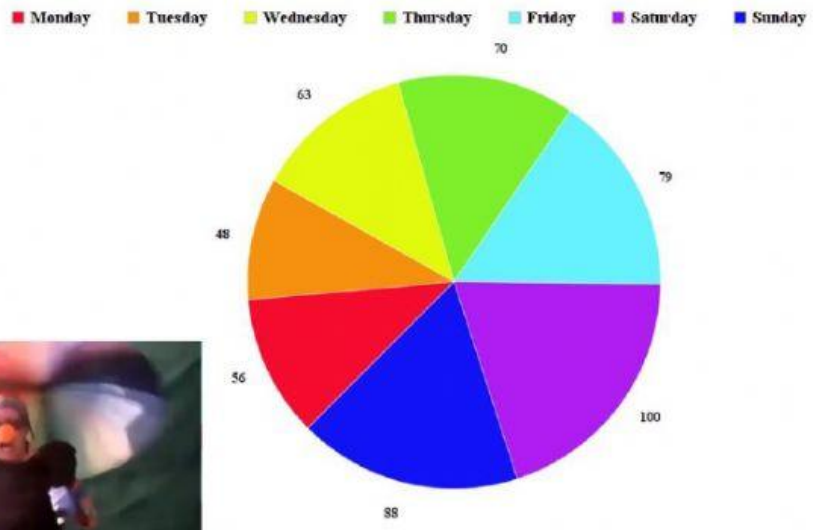

**What day is <u>the funniest</u> in LEAD?**

**What day is <u>the least funny</u> in LEAD?**

**Are <u>weekends</u> or <u>weekdays</u> funnier in LEAD?**

WHAT IS THE FUNNIEST DAY OF THE WEEK?

**Do you see Mr. Steel's clown umbrella? What kind of graph does it look like?**

**How many times did LEAD students laugh on Saturday <u>altogether</u>?**

**Put the days in order from LEAST funny to MOST funny:**

**Try to write sentences that tell something about MOST people in our class!**
