

NAME: _____

DATE: _____

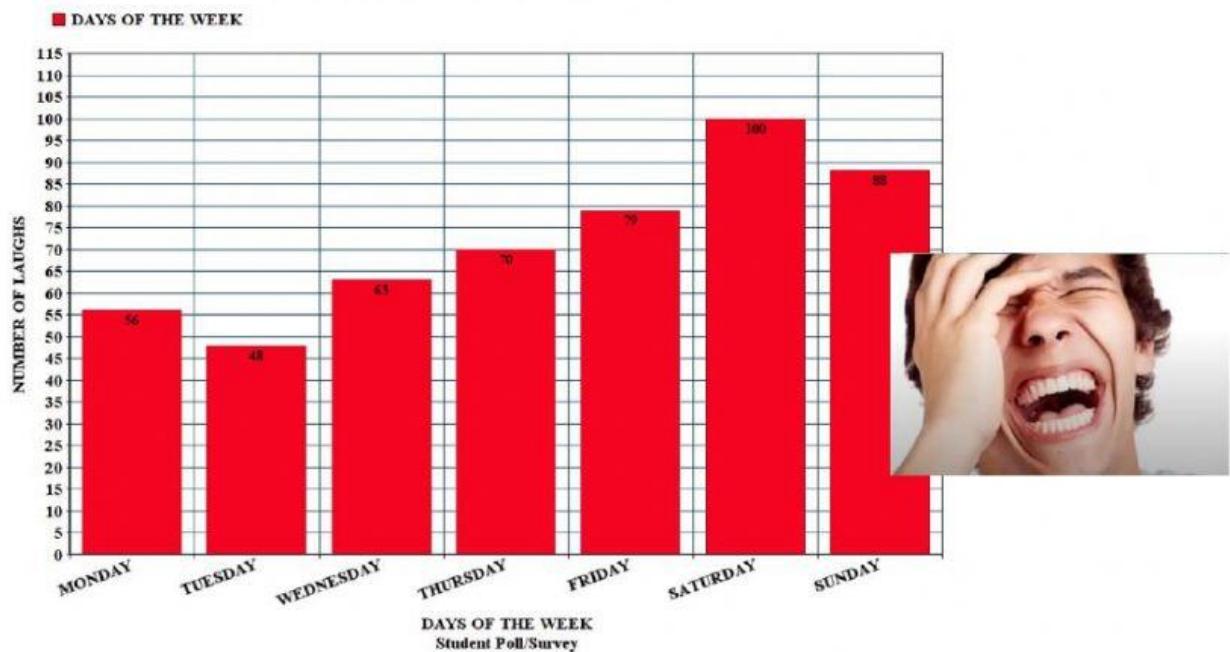

LET'S LEARN ABOUT HOW OFTEN (How many times) WE LAUGH, LEADERS!

Look at the graphs below and answer questions about them:

Which person laughed <u>the most</u> on Thursday?	Which person laughed <u>the least</u> during the week?
Which person laughed <u>the most</u> on Monday?	Who laughed <u>the most</u> on ONE day?
Which people laughed <u>equally</u> on Friday?	On what day did Mr. Steel laugh <u>the most</u> ?

WHAT IS THE FUNNIEST DAY OF THE WEEK?

What day is the funniest in LEAD?

What day is the least funny in LEAD?

Are weekends or weekdays funnier in LEAD?

WHAT IS THE FUNNIEST DAY OF THE WEEK?

Do you see Mr. Steel's clown umbrella? What kind of graph does it look like?

How many times did LEAD students laugh on Saturday altogether?

Put the days in order from LEAST funny to MOST funny:

Try to write sentences that tell something about MOST people in our class!
