Match the uses of salt to a way that Christians are the salt of the earth.

- |   |   |
|---|---|
| 3. _____ Salt adds flavor to food.                            | a. When others see the love of Jesus in the life of a Christian, they will become thirsty to know God. Only He can quench their thirst. |
| 4. _____ Salt is part of a good diet. People need it to live. | b. Christians have the message of eternal life through Christ.  |
| 5. _____ Salt preserves food and keeps it from spoiling.      | c. Christians can flavor the world around them with kind words, the fruit of the Spirit, and obedience to God.                          |
| 6. _____ Salt makes people thirsty.                           | d. Christians preserve goodness in the world and point the way to Jesus.  |
