5

name is Khalid and my friend's name is Yassir. He is 16 years old and he is from Saudi Arabia. We are classmates. We like basketball and we are in a team. We are good at Art and our Art teacher Mr. Attar is great. He is from Saudi Arabia too. Yassir is a good student and he is very good at science. I'm not very good at science and math is not my favorite subject. I like Islamic studies and English.

- 1– Yassir is Saudi. ()
- 2– Khalid and Yassir are students. ()
- 3– Yassir is 16 years old. ()
- 4– Mr. Attar is a math teacher. ()
- 5– They like table tennis. ()
