

Make an outline for this paragraph.

A good teacher needs to have many qualities, but here are some of the most important ones. First, good teachers know their subject extremely well. That is, a math teacher has advanced education in mathematics, and an English teacher knows a lot about English grammar. Second, good teachers are especially good communicators. This means they know how to present information in ways that students can understand. Third, good teachers are enthusiastic. That is, they can show students that they are interested in their subject and that the subject is quite fun to learn about. To summarize, good teachers have expert knowledge, good communication skills, and enthusiasm for their subject.
