

It must have been love

Roxette

Lay a whisper on my pillow
Leave the _____ on the ground
I wake up _____, there's air of silence
In the bedroom and all _____

Touch me now, I close my _____
And dream away...

It must have been love, but it's over now
It must have been good, but I lost it somehow
It must have been love, but it's over now
From the moment we touched / crushed / blushed
till the time had ran / run / turned out

Make believing we're _____
That I'm sheltered by your heart
But in and outside I turn to water
Like a _____ in your palm

And it's a hard winter's _____
I dream away...

It must have been love, but it's over now
It was all that I wanted / waited / wondered,
now I'm living without
It must have been love, but it's over now
It's where the water goes / slows / flows,
it's where the wind grows / blows / goes
