Zero, Second and Third Conditionals.

Choose the correct option:

1. If the students hadn't been late for the exam, they would have passed.
2. If the children don't eat, they are miserable.
3. If John drinks too much coffee, he gets ill.
4. If the baby had slept better, I wouldn't have been so tired.
5. If she had her laptop with her, she would email me.
6. If Lucy had enough time, she would travel more.
7. If we had tidied our house, we wouldn't have lost our keys.
8. If she goes to the library, she studies more.
9. If Jane liked chocolate, I would give her some.
10. If John hadn't gone to Sweden, he would have gone to Finland.

Drag the correct boxes into place to make the third conditional:

If						,

I						

would | seen | lived | him | Paris

had | have | Mark | more | of | in
