4 When are your family members' birthdays?

Think and write about your family members' birthdays.

When are your family members' birthdays?
My father's birthday is April 30th.
I will write a card and clean his shoes.
My mother's birthday is June 1st.
I will make coffee and buy some flowers for her.
My sister's birthday is July 5th.
I will buy a doll and play with her.
They will be happy.

Use the text above and the tree to plan how you will write about your family members' birthdays.
