Listen this song and complete.

IT'S A LAZY DAY

Some people _____ once a week with a friend.

Other people _____ at the weekend.

Some people _____ every now and then.

Other people _____ every Friday at ten.

CHORUS

But today the sun is _____.

The people around us smiling.

We're doing nothing, it's a _____ day.

We're doing _____, it's a lazy _____.

There are people who _____ every afternoon.

And some who _____ games in their rooms.

And people who just stay at home and watch TV.
