My Plans
by Dahlia Deitz

After college ends next month, I'm going to do three things. First, I'm going to sleep for about a week! My dorm is so noisy that I never get to sleep enough. After I sleep, I'm going to get a cute dog and a cute, small car. Then I'm going to put the dog in the car and drive across country, to California. I'm not going to hurry at all on this trip. I'll take my time going from one place to the next. I might camp out in one place for a week or two. Then I'll move on. Finally, after a few months, I'll reach California. My plan there is apply to the Culinary Institute of America, in Napa. It's is a cooking school. I want to go there for a couple of years. When I graduate, I want to start my own restaurant. I'll call it Dahlia's, and it will have the best homemade food in the whole world!
