

Aprendiendo a multiplicar

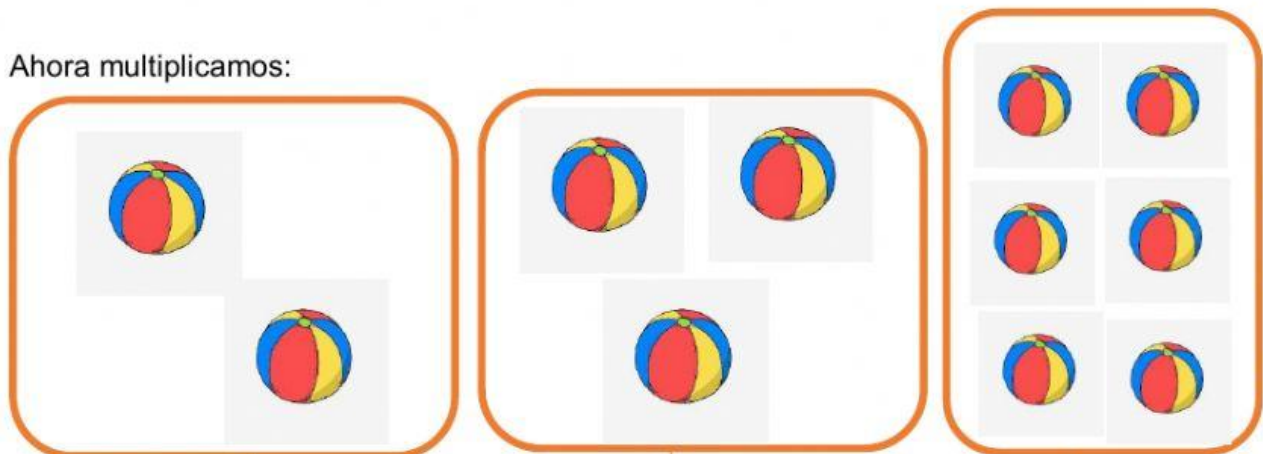

1.- ¿Cuánto es 2×3 ?

2 veces se suma el numero 3:

Suma = + =

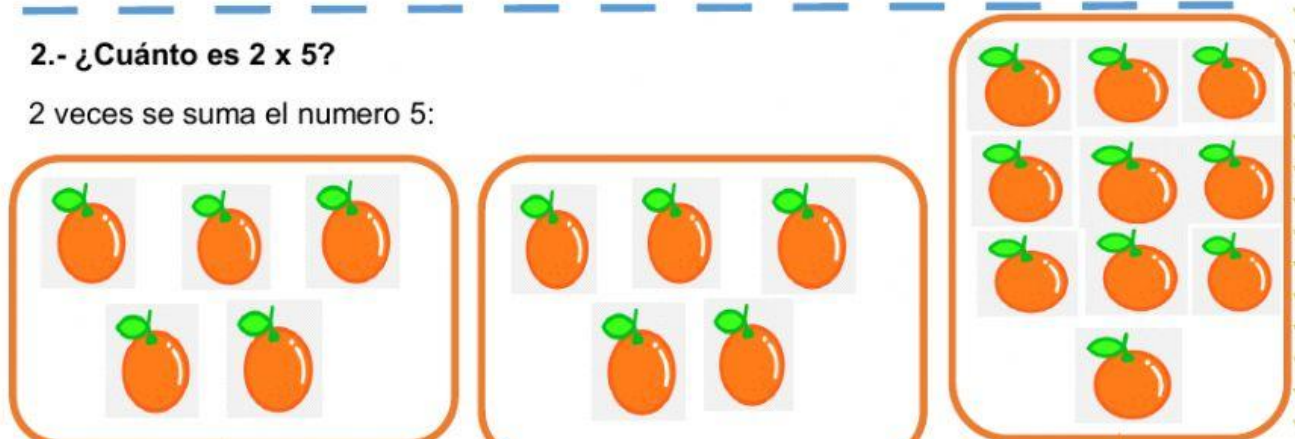

Ahora multiplicamos:

Multiplicación = X =

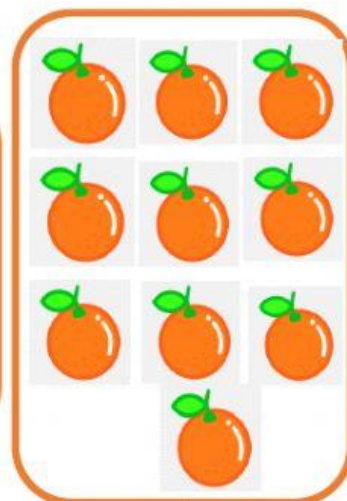

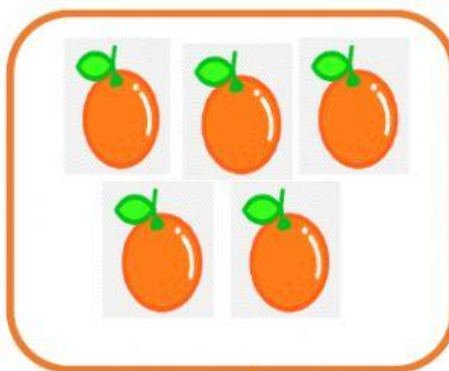

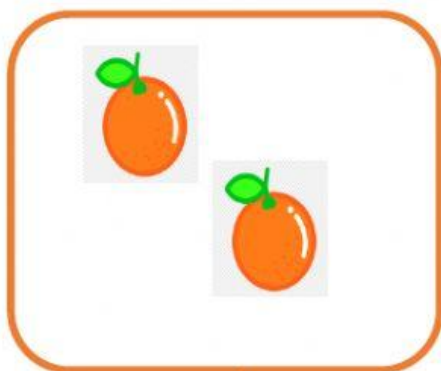

2.- ¿Cuánto es 2×5 ?

2 veces se suma el numero 5:

Suma = + =

Ahora multiplicamos:

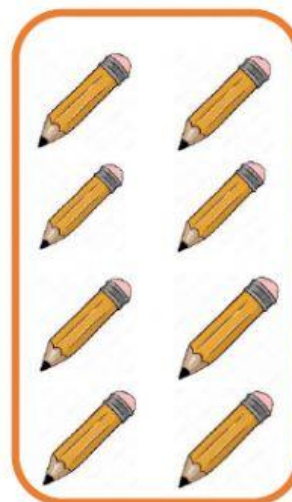

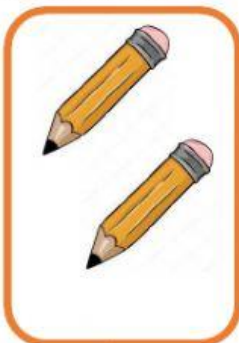

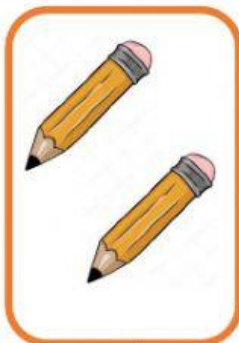

Multiplicación =

X

=

3. - ¿Cuánto es 4×2 ?

4 veces se suma el numero 2:

Suma =

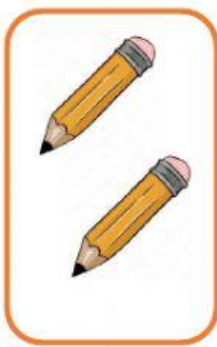

+

+

+

=

Ahora multiplicamos:

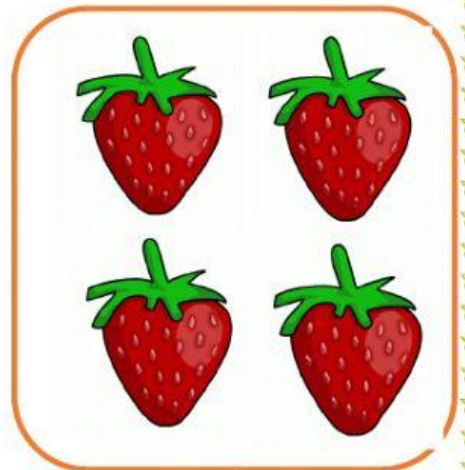

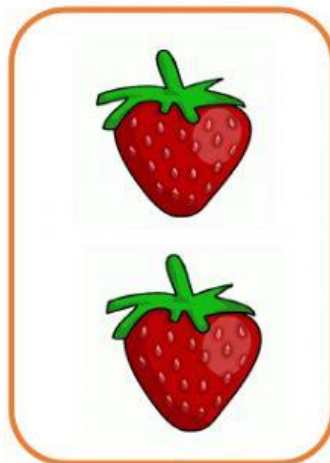

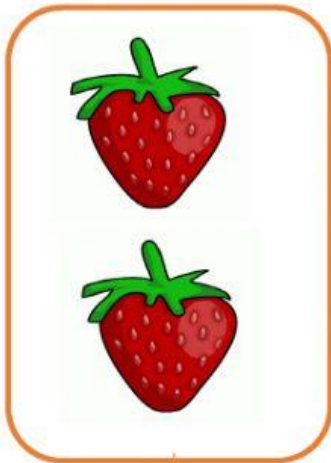

Multiplicación =

X

=

4.- ¿Cuánto es 2×2 ?

2 veces se suma el numero 2:

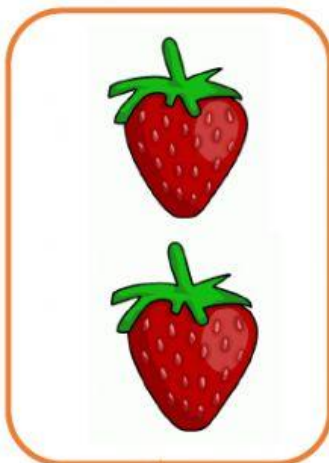

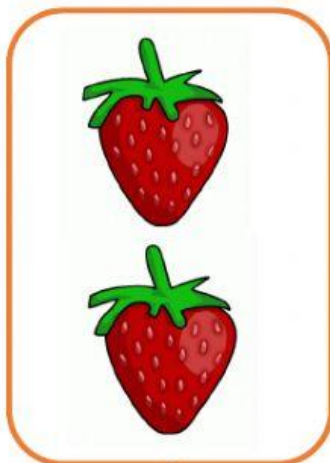

Suma =

+

=

Ahora multiplicamos:

Multiplicación =

x

=
