

"Fireflies" – Owl City

You would not _____ your eyes, if ten million fireflies
Lit up the world as I fell asleep, 'cause they'd fill the open _____
And leave teardrops _____.
You'd think me rude, but I would just stand and _____.

I'd like to make myself believe, that planet Earth turns slowly
It's hard _____ that I'd _____ stay awake when I'm asleep
'Cause everything is never as it seems

'Cause I'd get a thousand _____
From ten thousand _____ bugs
As they tried _____ me how to dance
A _____ above my head
A sock hop _____ my bed
A disco ball is just hanging by a _____

I'd like to make myself believe, that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems
(When I fall asleep)

Leave my door open just a _____ (Please take me away from here)
'Cause I feel like such an _____ (Please take me away from here)
Why do I tire of counting _____? (Please take me away from here)
When I'm far too tired to fall asleep

To ten million _____, I'm weird 'cause I hate _____
I got _____ eyes as they said farewell (Said farewell)
But I'll know where _____ are if my dreams get real _____
'Cause I saved a few and I keep them in a jar (Jar, jar, jar...)
