Use Context Clues

Read this paragraph. Write spelling words to complete the paragraph.

Our English project last term was to **11.** ____ a story from a book to DVD. We wrote to a production company in California for **12.** ____. [The principal's secretary was nice enough to type our letter on school **13.** ____.] "I **14.** ____ you," a studio producer replied, "to first **15.** ____ a professional, rather than a **16.** ____, approach. Next, make up a list of **17.** ____. Then **18.** ____ a plan and a recording schedule. Cast the show carefully. Also, include as much action as you can. There's nothing worse than a movie that is **19.** ____. Remember that the camera is just a **20.** ____ you use to capture the action—and the hearts and minds of your audience."
