

1) Read the lyrics and complete the sentences

with the missing word.

"I'm With You" by Avril Lavigne

I'm standing on the bridge
I'm waitin' in the dark
I thought that you'd be here by now.

I don't know who you are
But I, I'm with you
I'm with you

There's _____ but the rain

I'm listening but there's _____ sound.

I'm looking for a place
I'm searching for a face
Is _____ here I know?

Isn't _____ tryin' to find me?
Won't _____ come take me
home?

'Cause _____ 's going right
And everything's a mess
And _____ one likes to be alone

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand?
Take me _____ new

Isn't _____
tryin' to find me?
Won't _____
come take me home?

But I, I'm with you

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand?
Take me _____ new
I don't know who you are

Oh, why is everything so confusing?
Maybe I'm just out of my mind
Yeah Yeah yeah
