I'm still staying home and learning on TV. I can learn Thai, social studies, science, and English well, but math is too difficult on TV. 😊 My Dad helped me with it. Luckily, Mom's now working from home, so today she made us a yummy lunch. I washed the dishes. 😊 It's great that we can share our time together. I have learned how to cook and how to plan my daily timetable. I play with my lovely dog Loki every day. Hooray! I'll go to school in two days!
