

Unit 3 Keep on travelling

- ❖ Complete the conversation with the comparative and superlative forms of the adjectives in the box

far – cheap – early – important – lazy – close – crowded – interesting
--

A. Hi Daniel. I heard you moved to a new apartment.

B. Yes, I moved to the city centre because I wanted to be _____ to work. Catching the train was so expensive. I can walk everywhere now, which is a lot _____.

A. I know! I live even _____ away than you live. It costs so much, and I think I get _____ train in the country – it's always completely full in the morning.

B. Perhaps you should move as well! I find living in the city a lot _____ than living in the countryside, too – there's so much to here.

A. I could never live in the city. My horses are the _____ things in my life. I couldn't live without them!

B. Perhaps you should try getting an _____ train?

A. Probably, but I hate getting up in the morning. I'm _____ person in my family!
