

Free time 4th grade

My name is Tim. Last Sunday I was at the zoo. I was with my aunt and uncle. We were near the crocodiles. Crocodiles were hungry. It was feeding time. I had some sandwiches and I fed the crocodiles. I was not afraid of crocodiles.

My name is Liz. I am 10 years old. Yesterday was my birthday and I was at the zoo. I was with my mum and dad, granny and grandpa. It was so sunny and hot. There were strange birds at the zoo. But I liked dolphins most of all. They were hungry and I fed dolphins with some fish. I liked my visit to the zoo.
