Review – 2

I. Look and read. Write Yes or No.

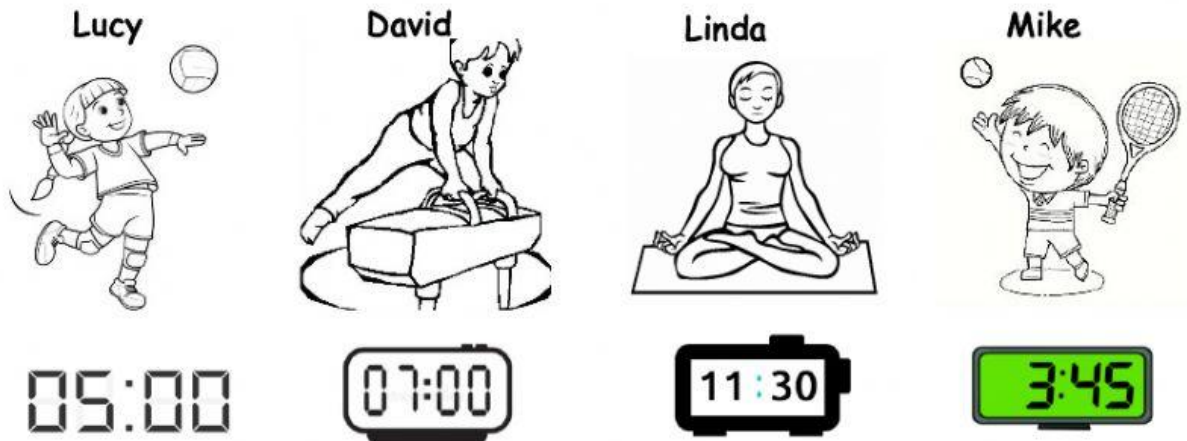

Basketball Club

Hi, my name is Peter. Basketball is the most exciting sport at school, and my club is the most popular club. Everyone in the club can play better now than at the start of the semester. I think the best way to learn is by practicing together. In the summer, I sometimes play in the park. Playing outside is more beautiful than playing at school. Come and join my club!
