

## 2. LISTENING FOR GIST

### TIP

Before you listen, read the rubric carefully to find out the situation and the topic discussed. Try to predict or guess what the speakers are going to say. That way, the listening text will be easier for you to understand.

You will hear a teenager who has just come out of the London Dungeon talking about her experience. Which of the following is mentioned?

- the location of the museum
- what you can see
- how to get there
- who the museum is for
- the entrance fee
