Part 2.

Read the passage, choose the best answer, and write the answer in the numbered box.

MY HOUSE IN THE FUTURE

I am Thao. Let me talk about my dream house. I will live in amazing new houses. My house will use the sun or the wind to make electricity. I won't use cookers, dishwashers or washing machines because robots will help me. I will have robots to cook my dinner and wash my clothes. I will have robots to look after my children. I won't use computers. I will have special remote control units. I can surf the internet, send and receive emails and order food from the markets without getting out of bed. I won't have TVs or CD players because I will have watches that play music, take pictures and tell the time. My car won't use gas. They will use energy from air, water and plants. In the future the air won't be polluted. Our world will be a great place to live in.
