Hi Brad,

Sorry I haven't written for ages, but I've been really busy because we've just moved to our new house in Pacific Heights. Last week, we had to put everything into boxes and say goodbye to our old house in Oakland.

The new place is a ¹ _____ house, so we've got neighbours on both sides. It's got three bedrooms. It's a little smaller than our old place, but it isn't ² _____, and it's got a nice garden with a green ³ _____ and flower beds. You can walk through ⁴ _____ to get to the garden from the living room. We also have a small glass conservatory with a few chairs and a ⁵ _____ table in it, so we can sit in there when it's raining. A big two-metre tall hedge goes all around the garden, so it's very private, too.

My room is quite small, but it's nice too. There are some shelves to put my novels on, and a bedside table with a lamp on it. The best thing about my bedroom is the spectacular ⁶ _____ – from my bedroom window, you can see all the way to the Pacific!

Bye for now!

Georgia
