For _____, Paris is the Eiffel Tower, the _____, the _____.

But for me, Paris is the open spaces – the parks, _____ and squares. There are some big parks, and lots of small public gardens.

There's a park _____ the _____, there's a park on a hill with a lovely view, and there are gardens in an _____ building!

I _____ go to this park with my _____. It has a small l_____ and we take his toy boat.

Part 2

_____ do lots of things in the parks. In the morning, I sometimes _____ this woman doing exercise.

In the afternoon, some people _____ and _____, some _____ and _____!

Some people go to the park _____, parents take their _____ to play; some children play football; people play music, or dance and some couples get married!

At the _____ when it's _____ and sunny, the parks are _____.

And at night they are very _____.

And this is my local space. It's small. We grow _____. We _____. We eat. We talk.
