

you get a pay rise

you want to know more

you have a lot of motivation

you didn't expect something

things happened as planned

danger is gone, you're safe

after a long working day

lots of unsolved problems

smth good didn't happen

you work a lot and don't relax

something bad might happen

there's too much information

you have nothing to do

you see a ghost

you fall over in a public place
