Last summer Nga spent her holiday in Prague, Czech Republic with her family. They had a great time there.

They went there by plane and stayed in a hotel in an old town. First they went to see a castle and a brewery in the town. Next they visited the main square. It was really beautiful with an old clock tower and buildings. Then they went for a walk in the old park in Malta Strana area. It was fantastic. They took a lot of photos in the park.

There were many nice restaurants near the hotel. They often had dinner in some of them.

After the holiday, they were tired but very happy. Next summer they are going to visit this place again.
