

BAD HABITS - ED SHEERAN

Connect the lines

Every time you come around,
Every time the sun goes down
I can feel the paradise
And tonight had

I let you take control
before my world implodes
something wonderful
you know I can't say no

Chorus

Fill in the missing words

My bad habits lead to late endin' alone
Conversations with a I barely know
Swearin' this will be the last, but it won't
I got nothin' left to or use, or do

My bad habits lead to wide eyes stare into
And I know I'll lose of the things that I say
Yeah, I was lookin' for a way out, now I can't
Nothin' after two, it's true
It's true, my bad habits lead to you
Ooh-ooh, ooh-ooh My bad habits lead to you
Ooh-ooh, ooh-ooh My bad habits lead to you

Put the words in the correct place

spark dark start

Every pure intention ends when
the good times

Fallin' over everything to reach
the first time's

It started under neon lights, and
then it all got

I only know how to go too far

Chorus

Ooh-ooh, ooh-ooh My bad habits lead to you
Ooh-ooh, ooh-ooh

We took the long way 'round
And burned 'til the fan ran out, now

Chorus

Ooh-ooh, ooh-ooh My bad habits lead to you
Ooh-ooh, ooh-ooh My bad habits lead to you
