

1. Read and number:

Hello, I'm Andrea. I've got lots of plans for the future. In ten years' time I will probably **get married**. I'm in love with my boyfriend and I want to spend my whole life with him. When I finish the school I will probably **go to university**. I'm quite good at geography so I could study history. When I come back I will probably **go backpacking** for a month with my mother. We might go to Ireland!
