

УПРАЖНЕНИЯ

Существительные

Количество упражнений – 85

Данный объем упражнений обусловлен тем, что именно существительные обладают наибольшим разнообразием суффиксов и могут образовываться как от глаголов и прилагательных, так и от других существительных. К тому же они преобладают по своему количеству в английской лексике по отношению к другим частям речи и являются абсолютно необходимыми единицами даже в самом минимальном коммуникативном процессе.
