Read the article about learning a language.
Choose the best word (**A**, **B** or **C**) for each space.

Learning Mandarin Chinese

I'm English and I learned Mandarin Chinese online a few years ago. I wanted to learn a different language and Mandarin Chinese was **(25)** for my job. I'm a businessman and I sometimes go to China for work. I also thought Mandarin Chinese was **(26)** than other languages because of the written characters it has. Lessons with a private teacher were **(27)** than lessons at a college. Online lessons were **(28)** way to learn, so I decided to do that. Online courses are becoming **(29)** than before for this reason.

Some people say Mandarin Chinese is one of **(30)** languages in the world to learn but the online lessons really helped! I could learn anywhere and at any time – on the train to work, in the office at lunchtime, or in the evening.

Now I can speak much **(31)** Mandarin Chinese than before. I am **(32)** person in my office!
