Task 2: Complete the passage.

Sometimes I hear the adults around me say that it is (0. good) better for children to grow up in the city than in the country. They say the city offers a child more opportunities for (1. high)_____education and (2. easy)_____access to better facilities. Life there is (3. exciting) _____and (4. convenient)_____than life in the countryside. They may be right, but there's one thing they probably don't know. I think the city is (5. crowded)_____than the countryside. The countryside is (6. eco-friendly)_____than the city. I like fresh air in here. Life here is not (7. fast)_____than it is in the city and but I feel safer. Perhaps the best place to grow up is where you feel at home.

Task 3: Match the suitable sentences for the pictures.

The city now is more crowded than the city in the past.

The street now is larger than the street in the past.

The school today are more modern than the school in the past.

The house now is more beautiful than the house in the past.
