Hi! I'm Lisa Bronwyn.

I like my winter holidays a lot. I have a lot of free time so I can spend more time for my little brother Ken. I often walk with him in the park near our house. When it snows I show him how to make snowballs and we play a lot. We often make a snowman in the yard of our big house. Of course, I dress him in warm clothes: a woolen hat, a jacket, warm trousers, boots, a scarf, and mittens.

I often go skating to our city skating rink. But I'm not a good skater. I'm only learning to skate well. My friends and I always ski in our city park. It's such a pleasure to ski when the weather is sunny and frosty. It's great!

I like December because we have two holidays – Christmas and New Year. I help my parents to decorate the house and the Christmas tree. I also prepare presents for my parents and my little brother. I love my winter holidays.
