It's time for today's weather report. Here in the mountains, it's snowing. The birds aren't singing in the forest today because it's raining. There's no sun on the island today. It's very cloudy. At the lake, it's hot and sunny, so a lot of children are swimming. It's a bad day for a picnic at the beach. It's very windy. If you go the fields, you can see a rainbow. Have a good day, wherever you are. See you next time.
