READING ACTIVITY PRE-
LISTENING, WHILE-LISTENING AND
POST-LISTENING

BRIEF DESCRIPTION

I designed the activity with three important steps, which are pre-listening, while-listening and post-listening. In the first step (pre-listening) I will introduce new vocabulary (PLACES) to my students, the vocabulary is useful because the student will need it to be able to understand the text and complete it with the missing words. In this step, I chose an audio to introduce the new vocabulary.

In the second step (while-listening), my students are going to read the text while listening to it, this will help them to listen to the pronunciation and practice it, the main activity in this step is to answer the questions while they are listening. In this section, I record an audio that was related to the previous vocabulary and in which my students will listen to the places that are in the city.

The last step (post-listening) is an audio, my students will listen to six short sentences, with the intention that they can fill in the blanks, considering the new vocabulary acquired. The 3 activities are designed according to the three stages of listening and there are very useful for my students, so they can start acquiring more knowledge by listening.

THE PLACE WHERE I LIVE

Hello Guys!

My name's Annaly and I live in Hilltown, It is in the south of England. It isn't a very big town, about 9,000 people live here.

There are about thirty shops in Hilltown and there are three supermarkets. You can buy everything in the town what you need. There are two banks and a post office in Main Street. There is a police station and a library, too. You can find a big market where you can buy fresh fruit, vegetables, meat and dairy products. I like going to the market with my mum.

There are three churches in the town center and there is a park, too. In the park children can play because there is a playground. In our town you can find some restaurants and there are five cafes. My favorite café is Ice cave. It's in Park Street and the ice cream is fantastic here!

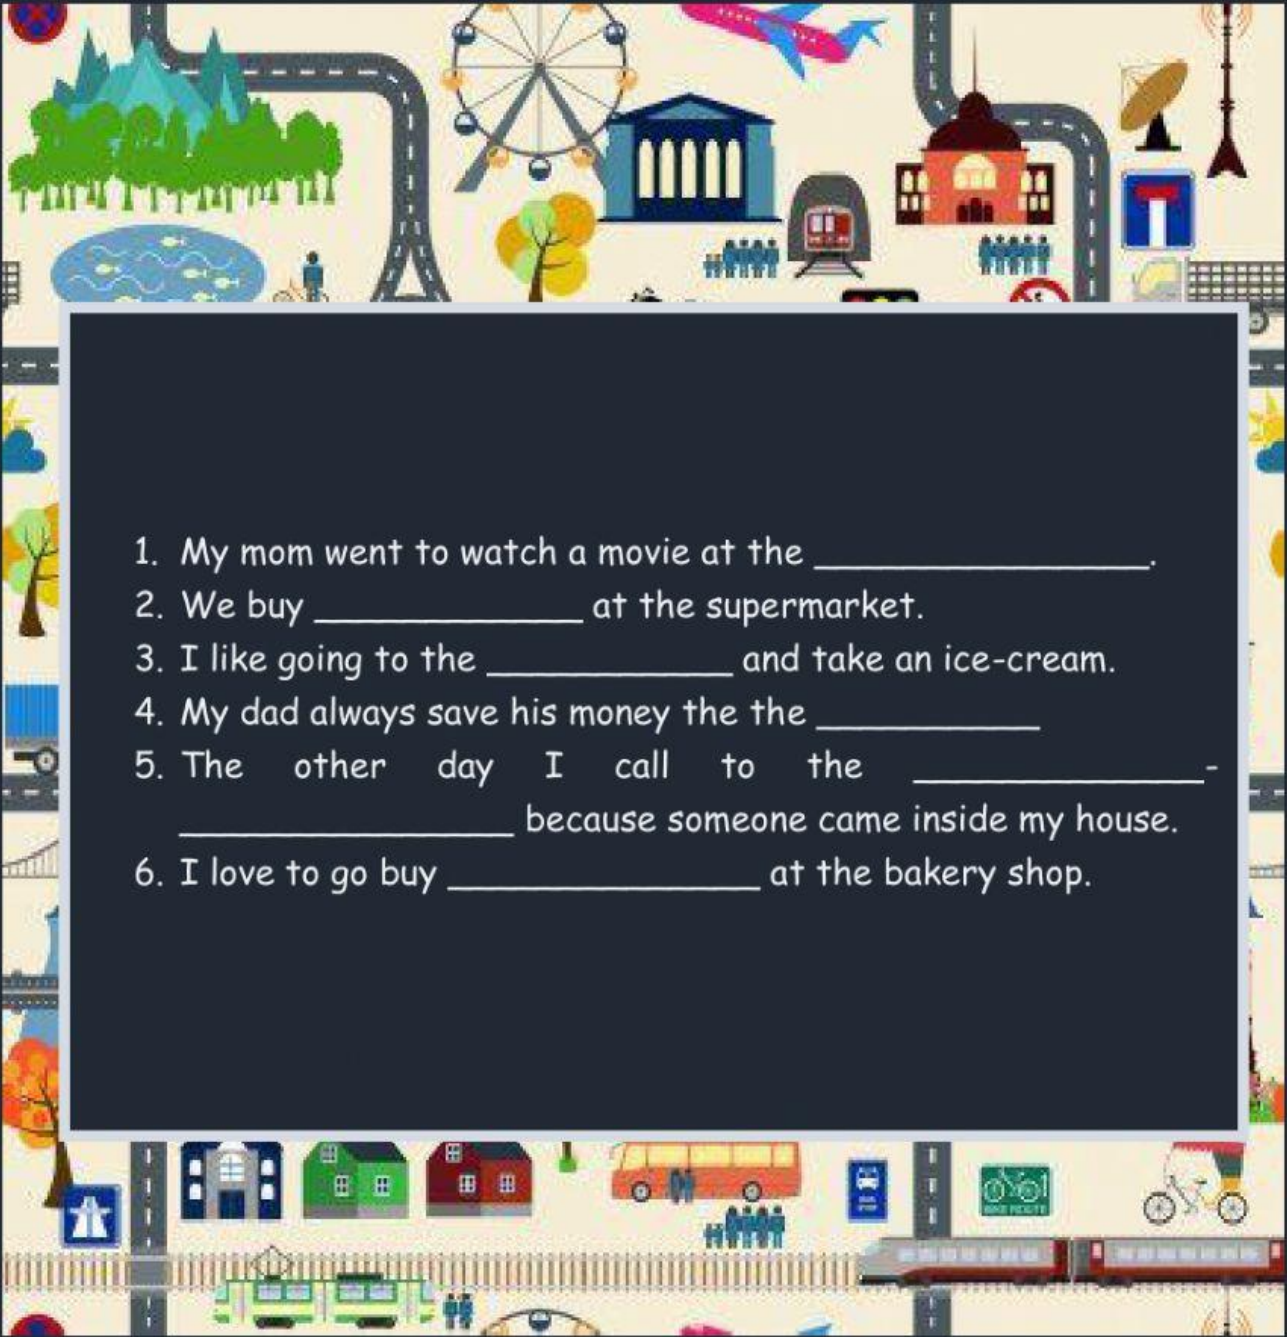

There are three elementary and two high schools in Hilltown. My school is in Mill Street. We have got a very nice building. Next to our school there is a sport center. Every Tuesday afternoon we play badminton.

If you want to see a film you can go to the cinema in our town, but unfortunately there aren't any theatres here. I like living in Hilltown because it is a calm, neat place and people are friendly.
