The Snake Village

I want to tell you about my village in China and about a special farmer. His name is Yang Hongchang and he lives in my village. There are many animals on his farm. Right now, he is looking after his animals. He is feeding them. They are eating rats, mice and eggs. Some of the animals are moving around in small wooden boxes. And some are sleeping after their meal.

Yes, Yang Hongchang is a snake farmer. Our village has got more than a hundred snake farms with almost three million snakes in them. Why are there so many snakes in our village?

People in China think that eating snakes is very healthy. They go to the market to buy snakes. Look at these pictures.
