I live in a beautiful town, Kastoria. It is in the north part of and it is next to a lake.

It is a clean town with a lot of trees in the streets. There are some blocks of in the centre of the town, but there are also a lot of houses with beautiful gardens. There aren't cinemas, but there are a lot of parks and cafés.

I live in a small house with a garden. There is a church my house and a park near the At weekends, my friends and I go to the park and play There is also a supermarket the park and the school, where I go with my mum on Saturday mornings. My town isn't very big, but I like it a lot.
