

Taylor Swift – YOU BELONG WITH ME

DRAG AND DROP THE MISSING WORDS

You're on the phone with your girlfriend, she's

She's going off aboutthat you said

'Cause she doesn't get yourlike I do

I'm in the room, it's a typicalnight

I'm listening to the kind ofshe doesn't like

And she'll never know yourlike I do

ORDER THE LINES

She's Cheer Captain, and I'm on the bleachers

That what you're looking for has been here the whole time

Dreaming about the day when you wake up and find

I wear T-shirts

But she wears short skirts

If you could see that I'm the one

Who understands you

Been here all along

So, why can't you see?

You belong with me

You belong with me

DRAG AND DROP THE MISSING PARTS

Walk in the streets with you

I can't help thinking this is

story

Tuesday

something

music

upset

humor

Laughing on a park bench

Hey, isn't this easy?

And you've got

That can light up

I haven't seen it

Since she brought

You say you're fine, I know you better than that

Hey, what you doing with a girl like that?

She wears high heels

I wear sneakers

She's Cheer Captain, and I'm on the bleachers

Dreaming about the day when you wake up and find

That what you're looking for has been here the whole time

If you could see that I'm the one

Who understands you

Been here all along

So, why can't you see?

You belong with me

DRAG AND DROP THE MISSING WORDS

Standing by and waiting at your

All this time how could you not know, baby?

You belong with me

You belong with me

in a while
a smile
how it ought to be
you down
thinking to myself
in your worn-out jeans
this whole town

Oh, I remember youto my house

In the middle of the

I'm the one who makes you

When you know you're 'bout to cry

And I know your favorite

And you tell me 'bout your

Think I know where you belong

Think I know it's with me

Can't you see that I'm the one

Who understands you?

Been here all along

So, why can't you see?

You belong with me

Standing by and waiting at your backdoor

All this time how could you not know, baby?

You belong with me

You belong with me

You belong with me

Have you ever thought just maybe

You belong with me?

You belong with me

dreams
night
laugh
songs
backdoor
driving
