

My Body

Listen, complete and match.

The worksheet is designed for a listening and matching exercise. At the top, the title "My Body" is displayed in a large, bold, black font. Below the title, the instruction "Listen, complete and match." is written in a smaller, italicized font. The central part of the page features a photograph of a young boy in a blue and white striped shirt and black shorts, striking a dynamic pose with his arms and legs spread wide. Various body parts are highlighted with colored dots and arrows: red dots point to the head, ears, nose, mouth, chest, and stomach; blue dots point to the hands, fingers, arms, legs, feet, and toes. Below the photograph, there are five sets of horizontal lines, each with a blue dot above it and a speaker icon below it, intended for students to write the names of the body parts they hear.
