V. Reading and:

a. Fill in the blanks.

June Wilson, September 5

Seoul is the capital city of South Korea. It has a population of nearly 10 million people and is the most populated city in the country. Seoul has 4 seasons. From November to March, the weather is cool with the coldest month being January. The best time to visit is from April to June. The hottest month is August. Seoul has a very long history and there are a number of city walls. These are about 2,000 years old. The downtown area of Seoul has traditional buildings like palaces and city gates but most of the city's architecture is modern. There are excellent shopping malls in the city. Seoul National University is the most important in the country and many students from other provinces study there. It is the most expensive city in South Korea but it is easy to find delicious and cheap street food. You should visit Seoul when you go to South Korea.

- Population: _____ people
- Time to visit: from _____ to _____
- Old buildings can be seen: _____, _____ and _____
- _____ is cheap to buy.

b. Choose the right person.

- **Pierre:** "I am on vacation in the South of France. My family are driving to the city of Nice tomorrow. If the weather is good, we will walk up a big hill called Mont Baron. If it rains, we will go look at the art show in the Matisse Museum."

- **Amy:** "My family and I are going to Singapore for the weekend. If it is sunny, we will visit Singapore Zoo on Saturday. After that, we will visit Waterfront Promenade. It is a peaceful place to walk and look at the old buildings and statues. If we have time on Saturday, we will go to a mall."

- **James:** "I am on vacation in San Francisco. We went shopping and had dinner at Union Square. It was so crowded! We are going to spend today at Golden Gate Park. It is very peaceful. If the weather is bad, we will ride a cable car or go see the fish at the Aquarium."
