

Look at the equations below and write out the terms for the numbers in the boxes at the right.

$6 + 5 = 11$

$11 =$

$40 - 23 = 17$

$23 =$

$10 \times 5 = 50$

$5 =$

$10 \div 2 = 5$

$10 =$

$14 - 7 = 7$

$14 =$
