Someone You Loved

Lewis Capaldi

I'm ____ under and this time I fear there's no one to ____ me
This all or nothing really got a way of _____ me crazy
I need somebody to _____
Somebody to _____
Somebody to _____
Somebody to _____
It's easy to say
But it's never the same
I guess I kinda _____ the way you _____ all the pain

Now the day _____
Into nightfall
And you're not here
To ___ me through it all
I ___ my guard down
And then you _____ the rug
I was getting kinda ____ to ____ someone you loved.

I'm ____ under and this time I fear there's no one to turn to
This all or nothing way of _____ got me _____ without you
Now, I need somebody to _____
Somebody to ____
Somebody to _____
Just to know how it feels
It's easy to ____ but it's never the same
I guess I kinda _____ the way you ____ me escape

Now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved

And I tend to ____ my eyes when it hurts sometimes
I ____ into your arms
I'll be safe in your sound 'til I ____ back around.

For now the day bleeds
Into nightfall
And you're not here
To get me through it all
I let my guard down
And then you pulled the rug
I was getting kinda used to being someone you loved
