Listen to the song "<u>Hotel California</u>" -from Eagles- and complete the lyrics with words from the box.

On a dark desert highway, cool wind in my hair		
Warm smell of colitas, rising up through the air		
Up ahead in the distance, I shimmering light		
My head heavy and my sight grew dim		
I to stop for the night	saw	thought
There she in the doorway;	grew	got
I the mission bell		
And I thinking to myself,	had	Called
'This could be Heaven or this could be Hell'	Stood	Said
Then she up a candle	Heard	had
and she me the way,	Was	were
There voices down the corridor,	was	Were
I I heard them say	showed	lit
Welcome to the Hotel California		
such a lovely place		
Her mind is Tiffany-twisted, she the Mercedes I	Benz	
she got a lot of pretty, pretty boys she calls friends		
how they dance in the courtyard, sweet summer sweat.		
Some dance to remember, some dance to forget		
So Iup the Captain, 'Please bring me my wine'		
He, 'We haven't that spirit here since r	iineteen six	ty nine'
And still those voices are calling from far away,		
Wake you up in the middle of the night		
Just to hear them say		
Welcome to the Hotel California		
Such a lovely place mín. 2:30
