

I feel ...

I feel sick because

I feel ...

I feel bored because

I feel ...

I feel angry because

I feel ...

I feel scared because

I feel ...

I feel sad because

I feel ...

I feel excited because

Why?

my friend is at
my home.

Why?

people are shouting
on TV.

Why?

I have a sore tummy.

Why?

I have nobody
to play with.

Why?

my book isn't interesting.

Why?

my sister hides
my things.
