

I feel ...

I feel sick because

Why?

my friend is at  
my home.

I feel ...

I feel bored because

Why?

people are shouting  
on TV.

I feel ...

I feel angry because

Why?

I have a sore tummy.

I feel ...

I feel scared because

Why?

I have nobody  
to play with.

I feel ...

I feel sad because

Why?

my book isn't interesting.

I feel ...

I feel excited because

Why?

my sister hides  
my things.
