

Listening: discussions

1. You are going to hear three discussions about online challenges. Listen to each discussion and choose the correct answer.

1. Discussion 1:

A hospital nurse is talking to her husband. What does she say about injuries from online challenges?

- ☐ They don't happen very often.
- ☐ They happen because people do dangerous things.
- ☐ They're worse than injuries from accidents.

2. Discussion 2:

A teenager is explaining why he likes online challenges. What is one of the reasons?

- ☐ It's something to do when he's bored.
- ☐ He likes the thrill of doing something dangerous.
- ☐ It makes people notice him.

3. Discussion 3:

A parent has heard a psychologist's talk about teens and challenges. What did the psychologist say?

- ☐ Dangerous challenges started because of social media.
- ☐ Teens see more challenges because of social media.
- ☐ Teens should not try online challenges.

2. Listen to the discussions again. Complete the sentences.

1. **Discussion 1:** Participants must eat the cinnamon in less than _____.
2. **Discussion 2:** There are plenty of _____ challenges.
3. **Discussion 3:** Teens can now see more than the challenges that their _____ are doing.

3. Choose the correct answer.

1. The nurse believes online challenges can cause **death/accidents**.
2. The teenager believes online challenges are **harmless / funny**.
3. The teenager thinks it's OK to do **dangerous / harmless** online challenges.
4. The psychologist thinks that teenagers have always **challenged / copied** their friends.
