WELCOME TO MY LIFE

My name is Jennifer, but my friends call me Jenny. I'm 14 years old. My family is very big. I have got 4 brothers but I haven't got any sisters. I'm the only girl in the family. We are from Posadas, the capital of Misiones, in the north of Argentina. My father is a doctor. My mother is an actress. She can sing very well, too.

My father is my super hero. His name is Richard and he is 44. He has got a very important job in the local hospital. He is a cardiologist. He is an excellent professional and a great person. He is quiet but very friendly. He hasn't got any artistic talents, but he is a sports fanatic. He can swim very well and he can stay under water for 3 minutes!!

Posadas is a small city compared to Buenos Aires. There are some good places to eat, but not so many. For example, there's an excellent Italian restaurant near my house. They have got delicious pasta, but it isn't cheap. In Posadas there are pizzerias and fast food restaurants, too, but they aren't very good.
