

LET'S FIND THE MEANING

I'm not crazy about movies with a lot of singing and dancing. I prefer horror movies.

Carol likes romantic movies because they have a **happy ending**.

Miguel **is not into** horror movies because he gets scared so easily.

My parents are **big fan** of Harry Potter. They always rewatch the films time-to-time.

**A PERSON THAT GENUINELY
LIKES SOMETHING**

**NOT LIKE
SOMETHING/SOMEONE
DEFINITELY**

NOT ENJOY SOMETHING
